

Train the Trainers

Foundations for Attachments Groupwork Programme and Nurturing Attachments Training Resources With Dr Kim Golding

This train the trainers programme provides delegates with training that will equip them to deliver the **Foundations for Attachments** and the **Nurturing Attachments** Group Work programmes with parents and carers parenting children who are living away from their birth parents e.g. foster carers, adopters, residential workers and kinship carers.

Aim

This training will provide delegates with a good understanding of the **Foundations for Attachments** and **Nurturing Attachments** programmes and will prepare them for delivering and using these programmes within parenting groups.

Objectives:

1. To have a thorough knowledge and understanding of the Foundations for Attachments Programme and the Nurturing Attachments Training Resource and the theory that underpins this.
2. To have a thorough knowledge and understanding of The Foundation and House Models of Parenting
3. To have a thorough understanding of the group work process which underpins the delivery of the groups.
4. To be confident writing mind-minded narratives and helping others to develop these.
5. To be confident responding with PACE, PACE role plays and helping others to develop the use of PACE

Suitable For:

Professionals who work with developmentally traumatised children and their families for example social workers and therapists.

Applicant Requirements

Delegates should have completed DDP level 1 and 2 and have at least 5 years experience in supporting families caring for children who have experienced developmental trauma.

Prior reading

Candidates should be familiar with the resources:
